

Acme Remote Work Policy

This policy explains how employees of Acme Corp can work remotely. It applies to all full-time and part-time employees after completing their probation period of three months.

1. Eligibility

Employees may work remotely up to three days per week. Team leads can approve additional remote days for special circumstances such as relocation or medical reasons. Interns are not eligible for remote work during their first month.

2. Equipment

Acme provides a laptop, a monitor and a one-time home office stipend of 500 USD. Employees are responsible for a stable internet connection of at least 50 Mbps. Lost or damaged equipment must be reported to IT within 48 hours.

3. Working hours

Core collaboration hours are from 10:00 to 15:00 in the employee's local time zone. Outside core hours, employees can organize their schedule freely as long as they complete 40 hours per week.

4. Security

Company data must only be accessed through the corporate VPN. Public Wi-Fi networks must not be used without the VPN. Two-factor authentication is mandatory for all company accounts.

5. Expenses

Internet costs are reimbursed up to 40 USD per month. Coworking spaces are reimbursed up to 150 USD per month with prior approval from the employee's manager.
